ONE YEAR LIMITED WARRANTY:

We will replace any missing parts at the time of purchase or any defective item within a one year period from the date of original purchase. Please keep your receipt so that we may process your warranty request. This warranty only covers new units with original packaging and ownership, and is not transferable. It does not cover any used, secondhand or demo models.

This warranty does not cover any damaged or defective parts that result from installation and assembly, normal wear and tear, abuse, negligence, improper use or alteration to the finish, design, and hardware of the crib. The specific legal rights of this warranty may vary from state to state. Some states do not allow any exclusion or limitation of incidental damages. Some States do not allow limitation on how long an implied warranty lasts.

Maintenance and Cleaning:

Do not scratch or chip the finish. Do not use abrasive chemicals for cleaning. Clean with mild soap on a soft rag. Rinse and dry thoroughly. If you ever refinish this furniture, be sure to use only a non-toxic finish specified for children' s products. If you choose to refinish this furniture, the warranty will be voided.

Storage:

Pine woods exchange moisture with the air adjusting to major changes in room temperature and humidity. Therefore it is best to place your furniture away from heating or air-conditioning vents. Sunlight is not friendly to solid wood furniture and prolonged direct exposure to harsh sunlight can discolor the finish. Be careful not to place your furniture in direct sunlight for extended periods of time. As with all your fine furniture, blot up spills immediately.

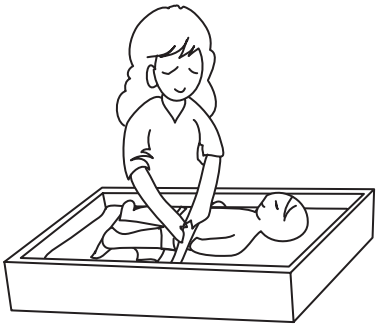
Restraint System

⚠WARNING:

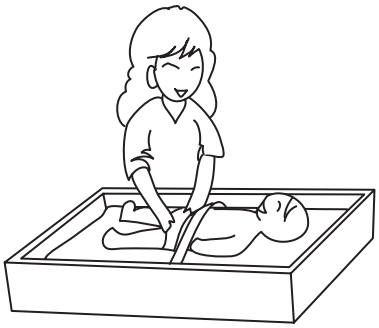
During the diaper changing process, be sure always to keep one hand on the baby to prevent the baby from falling off the changing pad. Falling from the changing pad could cause severe injury or even death to the baby.



Step 1.
Place a baby on the pad with his/her bottom on the top of the diaper. Safely secure the baby on the pad with the safety straps and buckle on the pad. This helps prevent the baby from falling off the pad, which can result in severe injury or even death of the baby.

Step 2.
Remove the dirty diaper from the baby.

Step 3.
Push the baby's legs forward and create a cavity under the baby's bottom. Clean the baby.



Step 4.
Reattach the new diaper to a clean and happy baby!
